♦ Session I: Strategies for Navigating the Ph.D. Process: Expectations and Realities

This session surveys key academic and psycho-social requirements to successfully navigate a Ph.D. program. By examining the unique nature of doctoral studies, personal learning styles, coping mechanisms, skill sets, and the span of the doctoral commitment, students will leave the session empowered to create their own “Strategies for Navigating the Ph.D. Process.” The discussion will include information related to analytical note-taking; maintaining mental health, a strong work-ethic, and commitment; and the process of creating knowledge.

- Dr. Tony Barringer, Associate Provost & Associate Vice President for Academic Affairs, Florida Gulf Coast University

- Dr. Claude Villiers, Professor, Department of Civil Engineering, Florida Gulf Coast University

6:00-8:30 p.m. ~ *Grand Ballroom West*
